

BERTL'S BEST 2009

14th Annual Awards

Best Digital Imaging MFP Color Range

Copystar
CS 500ci, 400ci, 300ci, 250ci

- The Copystar CS 500ci series offers users superior digital color imaging quality with the aid of the unique micro-particle toner and proven color technology bringing brilliant color and enhanced quality control across this series
- Powerful, intuitive and incredibly efficient, the proven technology engineered into every Copystar Color MFP delivers brilliant, high-impact color
- The intelligent color calibration system puts users in the control seat, while ensuring consistent color reproduction page after page
- Colors are true, gradations are smooth, and shading is accurate providing users with vivid color and crisp black & white documents
- The Micro-Particle Toner offers consistent size and shape toner particles which deliver superior image quality in both color and black & white
